## DESCRIPTION

### MODERN OFFICE AND BUSINESS BUILDING IN BUDAPEST FOR SALE

#### Office building and neighborhood

This modern office and business building is located in an economically developing area of the 11th district of Budapest.

In this rapidly developing district in the Buda district, apart from the modern, newly built office buildings, there are several building complexes that offer shopping, entertainment and sports facilities. Renters can avail of a wide range of services near the building.

#### Location:

- Highways within easy reach, good public transport connections
- Services around and within the office and commercial building
- Ideal for small and large tenants
- Low rate of common areas (5% shared area ratio)
- Corner - emphasized visibility
- Energy-efficient facility management

#### Place:

The office and commercial real estate is located south of the Rákóczi Bridge in the 11th district of Budapest. The office building is located near the Danube and is easily accessible both by car and by public transport.

The M1 / M7 motorways are minutes away, and the bridge provides easy access to the M5 motorway, main roads # 4 and 6, and the airport. Buses that commute near the building connect directly to Móricz Zsigmond Square, one of Budapest's main transport hubs.

#### Public transport links are within walking distance:

Trams: 1, 4, 6, 41, 47  
Buses: 58, 103, 150, 250  
Metro: M4

#### Available areas:

The office and business complex was completed in 2008. The building offers commercial space on the ground floor and large office space on 6 floors and a two-storey underground car park.

This business park offers "A" office space and thus the highest technical and appropriate office standards for the tenants. Its efficient floor plan provides large floor space, flexible layout options and offices with plenty of natural light.

The upper floors have exclusive terraces with stunning views of the surroundings of the district and the Danube.

By a large anchor tenant since June 2019 (rental period 10 years), the existing office space is 90% let. The tenant l
